FROM THE CHAIRMAN

Welcome to the 47th Annual Atlantic County Democratic Convention!

Over the past couple of weeks, I've had the opportunity to reflect on how the winds of politics can change at a moment's notice. Last November, we were pretty despondent after the "Red Wave" swept across Virginia and New Jersey, costing many fine Democrats in Atlantic County well-deserved victories. Things were looking pretty rough for our party, but just recently our fortunes have changed.

Post-election debrief meetings allowed us to retool and regroup. The formation of caucuses will help us to reach more constituencies in Atlantic County. Just this month, Thelma Witherspoon and I were successful in winning a historic county commissioner redistricting fight. This was the first time in 30 years that our party was able to draw a commissioner map, and it finally gives Democrats an opportunity to flip the Commissioner Board this decade.

The conventional wisdom is that 2022 will be a bad year for Democrats; however, we are a long way away from November 8. President Biden and Vice President Harris have already taken action to lower gas prices, combat supply chain issues, and halt inflation. More jobs have been created under the Biden Administration than ever before. The American Rescue Plan has provided a lifeline to those struggling to make ends meet, and the Bipartisan Infrastructure Law will lead to the creation of thousands of good-paying Union jobs all across the country.

Our county commissioner redistricting victory and the passage of the American Rescue Plan are just two examples of what we accomplish when we Democrats work together. Regardless of one's race, creed, or political ideology, we all share the same set of values. When we unite behind those values, we get things done for the people of Atlantic County.

Here's to a great 2022!

Best wishes,

Chairman Michael Suleiman

Atlantic County Democratic Committee Online Voting System **SIMPLY VOTING**

Introducing Simply Voting

Simply Voting is the software used by Atlantic County Democratic Committee to conduct online voting. It makes voting more convenient, confidential, and it's encrypted.

How Simply Voting Works

- 1) Delegates were given the opportunity to verify e-mail address to receive ballot.
- 2) During the convention, after nominations and speeches, the County Committee will send the ballot to each delegate's verified e-mail address for voting in each contested race.
- 3) The ballot will be in the form of "Ranked-choice Voting." This means that for any contested race, delegates are to select candidates based on their top choice, second choice, third choice (etc). For any candidate to win the election, he/she must receive 50% plus one vote (a majority).
- 4) If no candidate receives a majority in the first round, the candidate with the least amount of votes will be eliminated. If a candidate is eliminated, the first-choice votes that person received will be reallocated to the voters' second preference candidate.

Privacy and Security

Once you submit a ballot, the results are encrypted and stored in a database. Your Elector ID is then flagged as "voted" and will not be eligible to vote on this ballot again. Any additional rounds needed for one candidate to receive a majority happens automatically and you will never need to fill out the ballot more than once.

Simply Voting was designed from the ground-up to minimize the risk of electoral fraud. Voters who bypass authentication or have already voted are denied access to the ballot, and ballots are checked for validity before being accepted. Nobody could ever find out what a particular voter has voted as the results are stored anonymously.

Communication between your computer and our website is encrypted with TLS 1.2. Our servers are "hardened" and are routinely subjected to PCI Compliance security scans. Our application code adheres to guidelines set out by the Open Web Application Security Project.

*Educational Support Professionals, Child
Study Team Members, Counselors, Media
Specialists, Teachers and more!*

**UNITING FOR A BETTER FUTURE
FOR OUR STUDENTS, OUR
EDUCATORS, AND OUR
COMMUNITIES.**

—THE TIME— IS NOW—

**Atlantic County Democratic Committee
is inviting the community
to join several new groups:**

Youth Caucus
LGBTQ Caucus
Hispanic Caucus
Veteran's Caucus
Women's Caucus
Progressive Caucus
South Asian Caucus
African-American Caucus
Dems for Bikes & Hikes Social Group

The purpose of the caucuses is to create opportunities for ACDC to hear and learn from various constituents on issues that need attention or need to be addressed, while also building and strengthening relationships within communities. The caucuses would each have a liaison, appointed by the chairman, who would be the "voice" for the caucus members. The liaison would hold meetings and/or social events with the caucus members, and then bring back to ACDC any vital feedback.
